Appeal from the United States
District Court for the
Eastern District of Missouri.

[UNPUBLISHED]

Submitted: January 5, 2007
Filed: January 10, 2007

Before MURPHY, BYE, and MELLOY, Circuit Judges.

PER CURIAM.

Roland E. Schaefer appeals the district court's¹ dismissal of his lawsuit as barred by sovereign immunity and an injunction issued in an earlier lawsuit. Having carefully reviewed the record and considered Schaefer's arguments, we find no basis for reversal. See Lupiana v. Wal-Mart Stores, Inc., 435 F.3d 842, 845 (8th Cir. 2006)

¹The Honorable Stephen N. Limbaugh, United States District Judge for the Eastern District of Missouri.

(de novo review of dismissal for lack of subject matter jurisdiction); Atkinson v. Bohn, 91 F.3d 1127, 1128-29 (8th Cir. 1996) (per curiam) (de novo review of dismissal for failure to state claim). Accordingly, we affirm, and we deny Schaefer's pending motions on appeal. See 8th Cir. R. 47B.
